

Table-Heavy Sample Report

This sample verifies multiple tables, repeated headers, wrapped cells, and row rules.

1. First Table

ID	Description	Source
Item 1	Description for item 1. This text verifies wrapped table cells and consistent row spacing.	Source 1
Item 2	Description for item 2. This text verifies wrapped table cells and consistent row spacing.	Source 2
Item 3	Description for item 3. This text verifies wrapped table cells and consistent row spacing.	Source 3
Item 4	Description for item 4. This text verifies wrapped table cells and consistent row spacing.	Source 4
Item 5	Description for item 5. This text verifies wrapped table cells and consistent row spacing.	Source 5
Item 6	Description for item 6. This text verifies wrapped table cells and consistent row spacing.	Source 6
Item 7	Description for item 7. This text verifies wrapped table cells and consistent row spacing.	Source 7
Item 8	Description for item 8. This text verifies wrapped table cells and consistent row spacing.	Source 8
Item 9	Description for item 9. This text verifies wrapped table cells and consistent row spacing.	Source 9
Item 10	Description for item 10. This text verifies wrapped table cells and consistent row spacing.	Source 10
Item 11	Description for item 11. This text verifies wrapped table cells and consistent row spacing.	Source 11
Item 12	Description for item 12. This text verifies wrapped table cells and consistent row spacing.	Source 12

2. Second Table

Category	Finding	Evidence
Economic	Automation is changing labor demand.	Survey 2025
Regulatory	Transparency requirements are increasing.	Policy Review 2026
Operational	Document pipelines reduce formatting overhead.	Internal Report

3. Long Table

Row	Description	Source
Record 1	Description for record 1. This text verifies wrapped table cells and consistent row spacing.	Source 1
Record 2	Description for record 2. This text verifies wrapped table cells and consistent row spacing.	Source 2
Record 3	Description for record 3. This text verifies wrapped table cells and consistent row spacing.	Source 3
Record 4	Description for record 4. This text verifies wrapped table cells and consistent row spacing.	Source 4
Record 5	Description for record 5. This text verifies wrapped table cells and consistent row spacing.	Source 5
Record 6	Description for record 6. This text verifies wrapped table cells and consistent row spacing.	Source 6
Record 7	Description for record 7. This text verifies wrapped table cells and consistent row spacing.	Source 7
Record 8	Description for record 8. This text verifies wrapped table cells and consistent row spacing.	Source 8
Record 9	Description for record 9. This text verifies wrapped table cells and consistent row spacing.	Source 9

Row	Description	Source
Record 10	Description for record 10. This text verifies wrapped table cells and consistent row spacing.	Source 10
Record 11	Description for record 11. This text verifies wrapped table cells and consistent row spacing.	Source 11
Record 12	Description for record 12. This text verifies wrapped table cells and consistent row spacing.	Source 12
Record 13	Description for record 13. This text verifies wrapped table cells and consistent row spacing.	Source 13
Record 14	Description for record 14. This text verifies wrapped table cells and consistent row spacing.	Source 14
Record 15	Description for record 15. This text verifies wrapped table cells and consistent row spacing.	Source 15
Record 16	Description for record 16. This text verifies wrapped table cells and consistent row spacing.	Source 16
Record 17	Description for record 17. This text verifies wrapped table cells and consistent row spacing.	Source 17
Record 18	Description for record 18. This text verifies wrapped table cells and consistent row spacing.	Source 18
Record 19	Description for record 19. This text verifies wrapped table cells and consistent row spacing.	Source 19
Record 20	Description for record 20. This text verifies wrapped table cells and consistent row spacing.	Source 20
Record 21	Description for record 21. This text verifies wrapped table cells and consistent row spacing.	Source 21
Record 22	Description for record 22. This text verifies wrapped table cells and consistent row spacing.	Source 22
Record 23	Description for record 23. This text verifies wrapped table cells and consistent row spacing.	Source 23
Record 24	Description for record 24. This text verifies wrapped table cells and consistent row spacing.	Source 24

Row	Description	Source
Record 25	Description for record 25. This text verifies wrapped table cells and consistent row spacing.	Source 25
Record 26	Description for record 26. This text verifies wrapped table cells and consistent row spacing.	Source 26
Record 27	Description for record 27. This text verifies wrapped table cells and consistent row spacing.	Source 27
Record 28	Description for record 28. This text verifies wrapped table cells and consistent row spacing.	Source 28
Record 29	Description for record 29. This text verifies wrapped table cells and consistent row spacing.	Source 29
Record 30	Description for record 30. This text verifies wrapped table cells and consistent row spacing.	Source 30
Record 31	Description for record 31. This text verifies wrapped table cells and consistent row spacing.	Source 31
Record 32	Description for record 32. This text verifies wrapped table cells and consistent row spacing.	Source 32
Record 33	Description for record 33. This text verifies wrapped table cells and consistent row spacing.	Source 33
Record 34	Description for record 34. This text verifies wrapped table cells and consistent row spacing.	Source 34
Record 35	Description for record 35. This text verifies wrapped table cells and consistent row spacing.	Source 35
Record 36	Description for record 36. This text verifies wrapped table cells and consistent row spacing.	Source 36
Record 37	Description for record 37. This text verifies wrapped table cells and consistent row spacing.	Source 37
Record 38	Description for record 38. This text verifies wrapped table cells and consistent row spacing.	Source 38
Record 39	Description for record 39. This text verifies wrapped table cells and consistent row spacing.	Source 39

Row	Description	Source
Record 40	Description for record 40. This text verifies wrapped table cells and consistent row spacing.	Source 40
Record 41	Description for record 41. This text verifies wrapped table cells and consistent row spacing.	Source 41
Record 42	Description for record 42. This text verifies wrapped table cells and consistent row spacing.	Source 42
Record 43	Description for record 43. This text verifies wrapped table cells and consistent row spacing.	Source 43
Record 44	Description for record 44. This text verifies wrapped table cells and consistent row spacing.	Source 44
Record 45	Description for record 45. This text verifies wrapped table cells and consistent row spacing.	Source 45
