Theme Override Test

This document tests theme presets, custom theme colors, and user style overrides. The base theme is modern, but the accent color has been overridden to purple.

1. Callout Test

Theme Override

This callout uses the modern theme callout colors, but the global accent color has been overridden.

2. Table Test

Table 1. Theme override validation

Area	Status
Theme preset	Working
Custom theme color	Working
Style overrides	Working
Zebra override	Working

3. Figure Test

Figure 1. Placeholder figure with themed border color.
