Theme Renderer Test

This document tests the theme-aware renderer updates. The modern theme should apply softer text colors, muted header/footer colors, themed rules, table header backgrounds, zebra rows, and caption colors.

This blockquote should use the muted text color defined by the active theme.

1. Lists

- Bullet list item one
 - Bullet list item two
 - Parent bullet item
 - Nested bullet item
1. Numbered item one
 2. Numbered item two
 3. Numbered item three

2. Themed Table

Component	Status	Phase
Theme Manager	Complete	Phase 1
Style Registry	Complete	Phase 1
Cover Renderer	Updated	Phase 1
Table Renderer	Updated	Phase 1
Page Furniture	Updated	Phase 1
References	Updated	Phase 1

Component	Status	Phase
Figures	Updated	Phase 1

3. Figure Test

Figure 1. A placeholder figure used to test themed borders and caption colors.
